SUBJECT: Approval

Dear Members,

This letter is written to remind you that it is necessary to have ITF, written approval before travelling to other countries for TKD matters. This has been advised many times but people are continually doing it without approval. In the future it will be referred to the disciplinary committee for their deliberation and we remind you that if you are referred to the disciplinary committee that your rights may be suspended. We remind you also that you need ITF approval before giving any courses/seminars and before you may take a grading to 4th. Dan and above.

All of the above should be followed in all cases and every time.

All of the above breaches of regulations will be strongly dealt with and expulsion will be the penalty where necessary.

Yours in Taekwon-Do

Master Tom MacCallum
Under Secretary General Administration
