You are well aware of the problems created by not giving details of numbers of competitors and arrival dates etc. With this newsletter is a copy of the invitation from the Hungarian authorities. To ensure that our planning may be carried out well in advance we ask you to write to the ITF and say whether you will send a male team, a female team, or both. Those of you who need special letters or procedures to get visas for Hungary please write direct to Mr. Harmat Laszlo at 1026 Budapest, II. Endrödi Sandor u. 46/A, Hungary with details of your exact requirements. Otherwise all correspondence should be with the ITF HQ so that we may ensure that everything is dealt with and that we may have details of everything which is happening, and quickly.

WE REQUIRE THE INFORMATION ASKED FOR ABOVE BY THE END OF JULY AND ASK FOR YOUR COOPERATION WITH A QUICK REPLY.

Regular information will be sent as it becomes known to us but we advise you all at this time that we must have full details of all competitors, with photographs, including names, weights and items to be competed in by latest 1st. February 1988. Should you not do so then you will not be allowed to compete.

VIIth. WORLD CHAMPIONSHIPS

Agreement has been given for these to be held in Canada in 1990. You have to admit that we give plenty of advance notification. The plans were outlined at the Directors' Meeting in Athens and they are certainly on a grand scale.

Very big plans have been made for at least 60 countries to compete and it will be televised, worthwhile planning your holiday in Canada for 1990.

The VIth. World Championships are also going to be televised and we ask that as many teams as possible from outside Europe compete so that we can gain the maximum amount of publicity.
