(Certificate should be issued on the letterhead of an issuing Physician or a Clinic)

International Medical Certificate of Good Health

This certificate verifies that Mr./Ms. is free of drug addiction, mental illness, and does not suffer from any disease that could cause serious repercussions to public health according to the specifications of the International Health Regulations of 2005. These contagious diseases include, but are not limited to smallpox, poliomielitis by wild polio virus, the human influenza caused by a new subtype of virus and the severe acute respiratory syndrome (SARS), cholera, pneumonic plague, Bellow fever, viral hemorrhagic fevers (e.g.: Ebola, Lassa, Marbug), West Nile Virus and other illnesses of special importance nationally or regionally (e.g.: Dengue Fever, Rift Valley Fever, and meningococcal disease).

Mr./Ms. is a healthy individual in all senses, he/she has no pre-existing medical conditions, like heart problems, deafness, defective vision (including color vision) or any other infirmity, mental or physical, likely to interfere with the efficiency of his/her practice or performance as an athlete and she/he is capable of participating at any sports competitions.

This Certificate is being given to him/her for the purpose of participation at the 22nd ITF Taekwon-Do World Championships, held in Astana, Kazakhstan, from the 18th - 26th of August, 2023.
