We regret that we did not publish the name of Master Phap Lu as a member of the Consultative council in the last newsletter.

A reminder that the approval of Gen. Choi Hong Hi is needed for all International Instructor or Tul seminars. At international seminars tests may be made only to 4 Dan and above. 3rd Dan comes under the jurisdiction of the national association.

Please make your e-mails an A4 page size as they have to be printed out and if they do not fit the page then some of the text is missing.

We ask all members to note that the use of "ITF" on letter headings, e-mail and website addresses should be in such a way as to indicate that you are a part of the ITF and not the ITF itself. You should not use ITF as the first letters without prior, written permission. Failure to do so may result in disciplinary action.

The newsletter for items submitted by members.

We send again a letter to remind you that all ITF matters should be informed to the ITF HQ so that approval may be given and the dates noted.

In keeping with the development of the ITF a company has been formed to manufacture equipment. It is planned to develop this company as a multi purpose concern. The potential is enormous and therefore all ITF members are being offered the opportunity to invest in this company. It is thought that the initial investors will buy shares and that 1 certificate will cost US$5,000.00 and this certificate would have 9000 shares. As the company is registered in Singapore as a private limited company there can be only 50 members in the beginning but this will be expanded later. Anyone who is interested should contact the ITF Office in Vienna.

SPARRING SEMINAR

Will be held in Finland with Willy vd Mortel and Thomas Barada on 23rd. and 24th. March 2002. Contact Thierry Meyour at srtmf@koti.tpo.fi.
